

Packaging Tape

 Edge of tape  Printable area

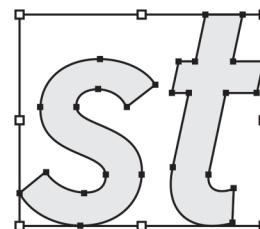

- 1 Paste your design onto the **Artwork** layer.

- 2 Reposition and scale your design as you like.
Keep artwork 1/8" in from the edge of the tape to ensure your design is not cut off.

- 3 Outline or rasterize your fonts and click **Save**.

- 4 For a seamless design, ensure your artwork aligns at the top and bottom of the print area.
The print area will be repeated on the tape.
